

About me

1. Hi, my name is James. I am 13 years old and go to Fraser Heights Secondary. I play a lot of soccer and video games, and I have a really cute dog (Wheaten Terrier) named Raggie. I have an Asus laptop and an Xbox one S for gaming, but I was considering saving up to buy a new gen Xbox for a better experience.
2. I've been experimenting with my laptop over quarantine with not much else to do. I have photoshop and After Effects downloaded on my laptop, but I'm not good at it yet. I'm not good at editing yet but I'm just computer smart in general.
3. I'm decent at typing pretty fast by practicing on applications such as Word, PowerPoint, etc. I was hoping to learn a bit about making animated profile pictures on After Effects using saber this year. I'm also interested in website and stuff like that.

This is a picture of an Xbox one s, the same model I have!

This is a picture of the dog breed I have :D
